

North Country Slate's Response to COVID-19

Due to the spread of COVID-19 throughout the community, North Country Slate has taken various precautionary measures to ensure the health and safety of our employees, customers, and members of the community. Specifically, North Country Slate employees will be working from home until further notice in order to adhere to recommended safety and social distancing practices.

North Country Slate is processing and shipping essential orders.

For further information or to answer any questions that you might have related to our products, your project or the slate roofing industry, please contact us at 1-800-975-2835 or info@ncslate.com

Thank you to all of those on the front lines of this crisis; including doctors, nurses, pharmacies, public health workers and grocery stores. We are truly grateful for your courageous contribution to society during this time.

Stay Safe. Be Well.
