

The 100 Year Roof

North Country Slate®

UNFADING BLACK

North Country Unfading Black is a premium quality roofing slate offering an elegant and lasting roof for both new construction and restoration projects. Favorably compared to the famous slate of the Monson region of Maine, this smooth, rich black slate with a slight luster has earned the admiration of architects, contractors and building owners around the world. North Country Unfading Black slate meets or exceeds ASTM requirements as an S-1 rated roofing slate. This slate is produced by a single quarry in North America and is exclusive to North Country.
