Unfading Black Medium Textured

e c o n o m i c a l

North Country Unfading Black Medium Textured slates exhibit a range from their targeted nominal 1/4" thickness, surface texture and planarity, providing more definition in the appearance of the roof. This slate offers designers and building owners a high quality, durable and beautiful natural slate roof at an economical price. If desired, these slates can be sorted and graded to offer a moderately smoother overall appearance. North Country Unfading Black Medium Textured slates meet or exceed ASTM requirements as an S-1 rated roofing slate and are available on a first-come, first-serve basis when in stock. This slate is produced by a single quarry in North America and is exclusive to North Country.
